In November 2022 the Living Earth Center Board of Directors voted to change LEC’s fiscal year from July through June to February through January. When LEC’s fiscal year was originally set, it was aligned with School Sisters of Notre Dame (SSND)’s fiscal year. The change was made for ease of budgeting by keeping the growing season in a single fiscal year.

This change resulted in LEC filing a short year tax return, and thusly a short year annual report.

FINANCIAL STATEMENT - 2022 - 2023 FISCAL YEAR

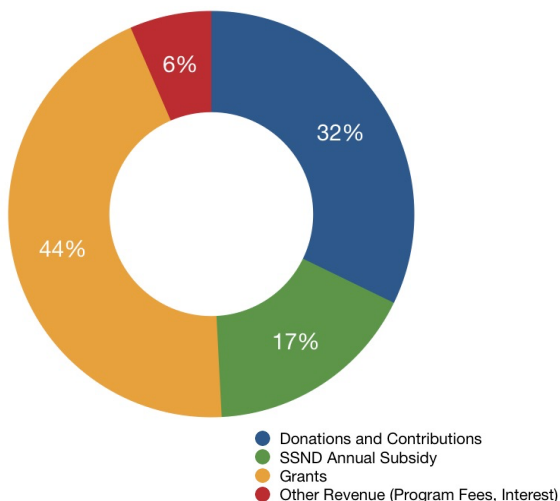

Living Earth Center is a sponsored ministry of SSND, along with an annual subsidy, SSND currently pays:

- Executive Director’s Salary and Benefits
- Office Space (in-kind)
- Land for the Community Garden (in-kind)

We are grateful for the continued support of SSND.

The percentages below reflect our operating expenses for fiscal year July 2022 - January 2023.
